

THE ONE-STOP PLATFORM TO REUSE AND VALUE MATERIALS

THE PROBLEM

COMPANIES

- Q Surplus production
- Q Amount of used material
- Q Cost and storage space
- Q Few solutions for waste

INDIVIDUALS

- Q Challenges in finding used materials
- Q High cost of new materials
- Q Time consuming search

THE SOLUTION

A DIGITAL PLATFORM TO CONNECT STAKEHOLDERS

- 🔍 **Construction companies** are keen on finding easy and fast solution to value their left overs, and waste to cut cost
- 🔍 **Individuals** are looking for a tool to ease their way to find reusable waste and 2nd hand material
